

Valued Friends,

Nearly 50 years ago, we founded Weber Plywood & Lumber Co., Inc. on the belief that our Southern California customers deserved the very best in products, in service, and in the way we approached business. This commitment to world-class performance at every level continues as the foundation for our extensive operations today.

Our customers know that when it comes to forest product knowledge and responsiveness, they can rely on the finely tuned team of professionals at Weber Plywood & Lumber. From certified lumber graders to our customer service specialists, and from inventory and delivery experts to our warehouse team, we strive for excellence and to be the best in all that we do.

I wish to thank all of our customers for their continued patronage. We are dedicated to making a material difference in your business.
