

Printed patterns are reproduced (above) in reduced scale from representative segments of larger sheets. Colors may differ slightly from product. Please refer to actual samples before specifying.

High Pressure Laminates available. Contact your sales personnel for availability.

**W**eber Plywood & Lumber inventories Southern California's most extensive selection of thermal-fused Melamine. With over 60 colors in stock, new colors are continuously being added to our inventory positioning us to better serve our market. We can 'special order' material to expedite the shipment to Southern California.

We inventory many hard to find colors ([www.weberply.com](http://www.weberply.com)) and matching edgbanding colors to make your job flow more smoothly. Please ask your sales representative for details.

| Color # | Name                 | 1/4"  | 1/2" | 5/8"<br>2S/1S | 3/4"<br>2S/1S | 1"   |
|---------|----------------------|-------|------|---------------|---------------|------|
